

Results of the Request for Proposals (RFP) 3/27/07

Six companies submitted proposals for either one or both of the components outlined in the RFP.

- Purse Line Bait, Sebasco Estates, Maine (transport)
- BBI Waste Industries, Old Orchard Beach, Maine (collection/transport)
- New Frontier Industries, Milton, New Hampshire (recycling/end product)
- Clean Harbors Environmental Services, Portland, Maine (collection)
- University of Maine's AEWCC Center, Orono, Maine (recycling/end product)
- Conigliaro Industries, Framingham, Massachusetts (collection/transport/recycling/end product)

The competitive bid was won by Conigliaro Industries, whose experience with two previous rope collection events (in Massachusetts, 2005, and in the Mid-Atlantic, 2006) will be brought to bear in the Maine collection. They will collaborate with many Maine companies on the collection, transportation, recycling and end-use of the used floating rope.

The Gulf of Maine Lobster Foundation would like to thank all of the companies and individuals who were interested in this project and who submitted questions and/or proposals in response to the RFP.
